Information sheet

Department of Mathematics
Dr. Brice Loustau
Philipp Käse

Summer term 2020

Time and Place of Exercise Sessions and Office Hours

- The exercise sessions will be taught entirely online via zoom. The office hours are held on zoom as well.
- The Meeting ID is 468 004 6711, and the password is $mfdX$ where X solves $X/2 = 1010$.
- The **exercise sessions** will take place biweekly on **Fridays, 9:50 am - 11:30 am**, starting on April 24.
- The **office hours** will take place on **Fridays, 9:50 am - 10:50 am**, in weeks without exercise session.

Homework, Studienleistung and Bonus

- There will be an exercise sheet every two weeks starting in the first week. Every exercise sheet will contain groupwork and homework.
- Submit your solutions for the homework exercises via email to

kaese@mathematik.tu-darmstadt.de

You can send a scan of your handwritten solutions or you can type your solutions in latex. The deadline for the submission is always written on the exercise sheet.

- Bachelor students have to achieve at least **50% of homework points** to get the *Studienleistung*. If you do not achieve this amount of points, you are not allowed to attend the exam. Although there is no *Studienleistung* for Master students, we encourage you to hand in your solutions for the homework exercises.
- There is **no bonus**.
